Tour Egypt!
2-Day Expedition

Each year, the Robert and Frances Fullerton Museum of Art (RAFFMA) at CSUSB organizes the summer Egyptian art workshop for kids, ages 10-12. This popular program brings in 5th and 6th grade students from neighboring communities throughout San Bernardino County. The workshop includes many educational and hands-on activities including a special tour of the museum’s extensive collection of ancient Egyptian antiquities.

Participating students learn about Egyptian history, culture, and art. Led by RAFFMA docents and CSUSB faculty, children participate in a variety of activities like clay art projects, painting mummy masks, making beads from authentic ancient Egyptian molds, and excavating a mock archaeological dig. Students also learn basic art concepts and vocabulary that are applied to each of their hands-on projects for a cross-curricular workshop.

The hard work and creative imagination of all the participants result in a fun learning environment, which opens an entirely new world of art to young minds.

Two Workshops Available:
1. July 15 and 16, 9:30 a.m.-3 p.m.
2. July 17 and 18, 9:30 a.m.-3 p.m.

$40* General Registration
$30* Friends of the Museum, CSUSB faculty, staff, students, and Alumni Association members

* Lunch provided.
